

# Knockout

SKU 3587

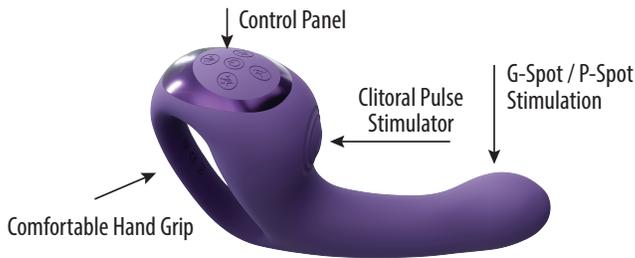

ATHENA'S  
HOME NOVELTIES

It's a unanimous decision; this new vibe is a champ! Beautiful design and state-of-the-art Finger Motion and Pulse Wave Stimulation Technology, make it the number one contender for main event pleasure! Three powerful F1 motors provide 10 unique speeds and function options. The curved shaft hits the right spot with a relentless come-hither motion. The clitoral pulse wave stimulator will ring your bell. The hand grip fits like a glove for comfort and security when you're below the belt! With over 1000 combinations and unimaginable stimulation, the Knockout may leave you breathless! It is splashproof so you can go a few rounds in the shower! Colors may vary.

### Features:

- 1 year warranty
- Splashproof (IPX6)
- Medical grade silicone with ABS plastic trim
- Latex and Phthalate free
- Not for use with silicone lubricants
- Provides G-spot and P-spot stimulation
- Total length: 7.91 inches
- Insertable Length: 4.72 inches
- Width: 1.18 inches

- Charge time: 2 hours
- Run time: 1 hour

**\*Splashproof (IPX6)** -Waterproof but not submersible. Water projected in powerful jets against an enclosure from any direction has no harmful effects and complete protection against contact with dust (dust-tight).

### Cleaning

Always clean product before and after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-2762).

### Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). Not for use with silicone lubricants. You can find additional lubrication options on our web site or in our online catalog.

### To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:

Do not store products near extreme cold or heat. Store in a cool, dry location. Store products separately as different materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

### Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.

### Warranty

All sales are final due to the intimate nature of our products. Knockout is guaranteed for 1 year for a replacement of the exact item. Please reference our digital catalog or website shopping cart for individual extended product warranties for many of our motorized items. Athena's warranty covers the pleasure device only. No incidental or consequential damages resulting from the use of this product are warranted. No refunds will be given. If you receive a broken product or if your product breaks please contact your Goddess or Adonis if purchased at a party, or our Customer Care Liaison if purchased on our website, for instructions on how to receive a replacement. Our Customer Care Liaison can be reached by calling (877) ATHENAS or Email to: customerservice@athenashn.com.

## Charging

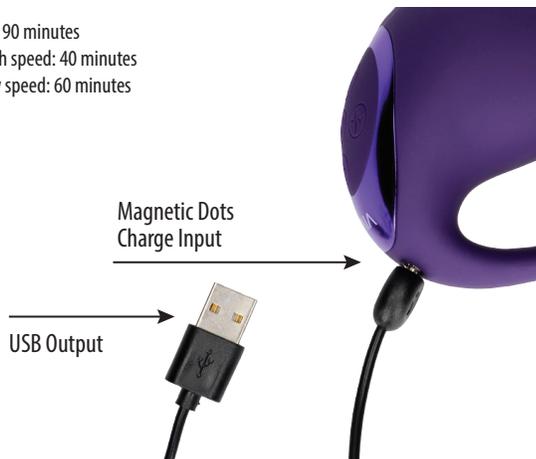

This toy arrives with a partial charge. Charge fully before first use. Full charging will take about 2 hours.

Connect the USB plug into a power source and align the other end of the charger with the toy's 2 magnetic charging dots, located at the base of the toy below the metallic trim, near the handle.

The indicator light will flash while device is charging and turn solid when fully charged. It is recommended not to overcharge for extended periods of time. Remove cord prior to operating.

Battery life depends on frequency and speed of use. We recommend fully charging your product once every 6 months. Only use the cord supplied with this product or an Athena's authorized replacement cord.

Charge Time: 90 minutes  
Run time high speed: 40 minutes  
Run time low speed: 60 minutes

## Operating

### Operating:

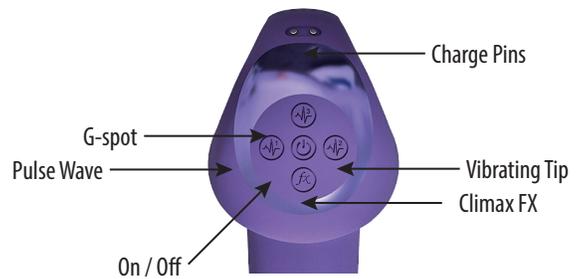

**ON / OFF:** Turn the toy on by pressing the Power Button in the center for 3 seconds. The toy will illuminate and enter standby mode. Turn the toy off by pressing the Power Button in the center for 3 seconds. The light will turn off.

**G-Spot:** Tap the G-Spot Button located above the Power Button to activate and cycle through the 10 speeds and patterns. Press for 3 seconds for off and the light will turn off.

**Vibrating Tip:** To make the shaft vibrate and activate the vibrating tip, tap the button at right side of the power button for 1 second. The light will turn on and the first speed will be engaged. Continue to tap the button to cycle through the 10 speeds.

**Clitoral Pulse Wave:** Tap the left side button to activate and cycle through the 10 speeds. Press for 3 seconds for off and the light will turn off.

**Climax FX:** Tap the button below the power button to activate this incredible function. This button will immediately bring all the motors to full power/speed. Press for 1 second for off and the light will turn off.

**Anal Play Note:** The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact, that gentle probing of the anus can bring intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubrication (i.e. Athena's Perfectly Pure) and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!
