***Waterproof and submersible (IPX7)** - Means that the device can be submerged in 1m of water for up to 30 minutes without permanent damage.

Cleaning

Always clean product before and after every use. For best results we recommend using Athena's (anti-microbial) Mighty Tidy Toy Cleaner (SKU MTT-2762).

Lubrication

Be sure to use ample lubrication with your bedroom toys. For great results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). Not for use with silicone lubricants. You can find additional lubrication options on our web site or in our online catalog.

To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:

Do not store products near extreme cold or heat.

Store in a cool, dry location.

Store products separately as different materials may react with each other.

Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.

Warranty

All sales are final due to the intimate nature of our products. The Right Angle is guaranteed for 2 years for a replacement of the exact item. Please reference our digital catalog or website shopping cart for individual extended product warranties for many of our motorized items. Athena's warranty covers the pleasure device only. No incidental or consequential damages resulting from the use of this product are warranted. No refunds will be given. If you receive a broken product or if your product breaks please contact your Goddess or Adonis if purchased at a party, or our Customer Care Liaison if purchased on our website, for instructions on how to receive a replacement. Our Customer Care Liaison can be reached by calling (877) ATHENAS or Email to: customerservice@athenashn.com.

Charging

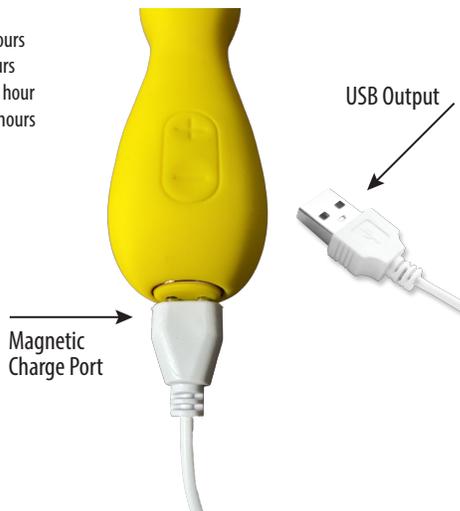

This toy arrives with a partial charge. Charge fully before first use. The initial charge will take about 2 hours.

Connect the USB cable to the USB port of your computer or other power source and align the magnetic dots of the toy with the cord dots located at the base.

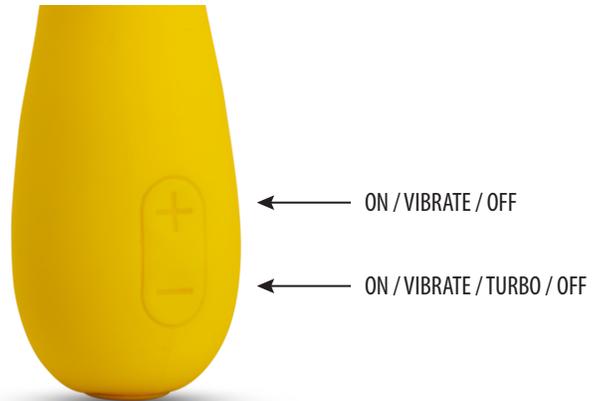

The indicator lights will flash while device is charging and turn solid when fully charged. It is recommended not to overcharge for extended periods of time. Remove cord prior to operating.

Battery life depends on frequency and speed of use. We recommend fully charging your product once every 6 months. Only use the cord supplied with this product or an Athena's authorized replacement cord. Unplug the cord from the wall and remove it from the product after charging.

- Initial charge time: 2 hours
- Complete charge: 3 hours
- Run time high speed: 1 hour
- Run time low speed: 2 hours

Operating

Operating:

ON: Press the (+) or (-) button for 3 seconds to turn ON and initiate the first vibration. The light will illuminate.

Vibrations:

To scroll through the 7 speeds and 13 pulsations, tap either the (+) button or my (-) button.

XLR8 turbo boost:

Double-click the (-) button. XLR8 turbo boost increases the speed to the highest setting for 12 seconds.

OFF:

Press the (+) or (-) button for 3 seconds to turn OFF. The light will turn off.
