Cleaning

Always clean product before and after every use. For best results we recommend using Athena's anti-microbial Mighty Tidy Toy Cleaner (SKU MTT-2762).

Lubrication

Be sure to use ample lubrication with your bedroom toys. For best results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). Not for use with silicone lubricants. You can find additional lubrication options on our web site or in our online catalog.

To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:

Do not store products near extreme cold or heat. Store in a cool, dry location. Store products separately as different materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.

Warranty

All sales are final due to the intimate nature of our products. *Blue Moon* is guaranteed for a replacement for 1 year for the exact same item.

Charging

To charge, connect the USB plug to a power source at one end and the DC end into the charging port at the end of the toy's base. The button will flash while charging. It will glow solid when fully charged.

It is recommended not to overcharge for extended periods of time. Remove cord prior to operating.

Charge Time: 2 hours
Run Time on High: 80 minutes
Run Time on Low: 110 minutes

Operating

The control panel is located at the front of the toy's handle and operated with a simple 1-touch button.

ON: Press the button for 3 seconds to turn on. The light in the button will illuminate and the toy will be on the first speed.

Press the button again to cycle through the 3 speeds and 4 patterns of vibration. Pressing after the final pattern will bring the toy into standby mode.

OFF: The toy has an automatic shut off. If not used for 10 minutes in standby mode, it will shut off. Turn off at any time by pressing and holding the power button for 3 seconds.
