## Cleaning

Always clean product before and after every use. For best results we recommend using Athena's anti-microbial Mighty Tidy Toy Cleaner (SKU MTT-2762).

## Lubrication

Be sure to use ample lubrication with your bedroom toys. For best results try Athena's Perfectly Pure Intimate Moisturizer (SKU 5701). Not for use with silicone lubricants. You can find additional lubrication options on our web site or in our online catalog.

**To ensure that you always enjoy a pleasurable experience with your adult novelty items, follow the care instructions listed below:**

Do not store products near extreme cold or heat. Store in a cool, dry location. Store products separately as different materials may react with each other. Take caution when placing lotion and massage oil bottles or adult novelties directly on furniture surfaces. Place them on a cloth to protect your toys and your furniture.

**Caution: For adult use as a non-medical pleasure device only. Discontinue use in the event of any medical condition or pain.**

## Warranty

All sales are final due to the intimate nature of our products. *Sweet Surrender* is guaranteed for a replacement for 1 year for the exact same item.

## Charging

It is recommended to fully charge before first use and not to overcharge for extended periods of time. Remove cord prior to operating.

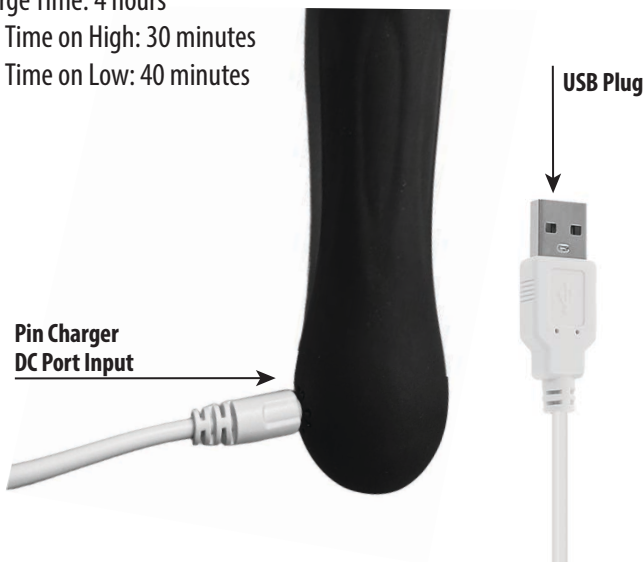

To charge, connect the USB plug to a power source at one end. Insert the pin charger into the DC port near the bottom of the handle. There is a little star design around the port. The circular blue light around the power button will flash while charging. It will glow solid when fully charged.

To ensure battery health, charge every 1-2 months.

Charge Time: 4 hours

Run Time on High: 30 minutes

Run Time on Low: 40 minutes

## Operating

**Sweet Surrender has two motors that operate with a simple one touch power button located at the bottom of the handle.**

**1-Button On/Vibrations/Off**

To operate, press and hold the power button for 3 seconds to turn on. The light in the button will illuminate and the toy will be on the lowest setting.

Press the power button again to cycle through the remaining 4 speeds and 10 pulsation patterns. Pressing after the final speed will bring the toy back to the lowest speed setting.

To turn off, press and hold the power button for 3 seconds.

It is not recommended to use this toy for more than 30 minutes of continuous use.
